BackOffice ACCOUNTANT™

BackOffice Accountant™ gives your business an efficient and effective way to lighten the load of tedious bookkeeping and paperwork.

You will also have peace of mind knowing our team of trusted accountants is devoted to getting the job done right.

You determine the scope of work based on your needs. There are no geographical limitations to this service -- we have clients from Kentucky to New Mexico and Florida!

BackOffice Accountant™ virtually pays for itself by allowing you to devote precious time to growing your business while costing less than hiring a full-time bookkeeper.

To learn more, call us today at 270/247-6087!

BackOffice Accountant™ services are completely customizable to suit your needs. From Accounts Receivables and Payables to Budgeting and Projections, we can provide the service that's right for you.

Available services include:

- *Receiving and paying client-approved invoices*
- *Billing customers, collections and deposits*
- *Payroll and all related reports*
- *Progress reports tailored to your needs, including Accounts Payable and Receivable tracking and analysis*
- *Profit-Cents® reports and ratios comparing the results of your business to others in your industry*
- *Income tax planning and preparation*
- *Budgeting and projections*
- *Consultation and advice as you need it from our full staff of professionals*

Why BackOffice Accountant™? Because you'll have the advantages of:

- *The equivalent of a full-charge bookkeeper without the added cost of benefits, regulation compliance, etc.*
- *Valuable time savings*
- *More office & computer file space*
- *An end to hiring and firing problems, giving you continuity of service without the disruption of training new employees*
- *Reduced employee embezzlement risk*
- *Total privacy of confidential payroll and other financial information*
- *Real-time access to your accounting files for review and analysis*
- *Comfort in knowing your bookkeeping information is correct*
- *Transfer of your paperwork headaches to professionals who will safeguard your data in a paperless work environment*
- *A CPA firm available full-time to work with you to plan for business, estate, and retirement solutions*
- *Flexible payment plans so you can budget for the cost of accounting services*
- *A money-back, "no-surprises" guarantee from a reliable CPA firm stating you will be satisfied with your results*
